Family and friendly

Whether you are a novice or a confirmed sailor, the Velic will charm you as this is an all-round boat. Its high quality well-fitted rigging make the manœuvres easy. The wide and deep cockpit with double seat make it comfortable. Even the youngest will feel confident.

It is a pleasant boat for beginners and its stability make it ideal for the family cruising. Even sportive sailors will get something out of it, asymmetrical spinnaker, pivoting wing mast (as optional equipment) and double trapeze will greatly increase the speed sensations.

Velic

EC homologation 4 persons category C

The architect's point of view

"Hobie Cat Europe and Phileas put together their know-how to produce this all-round beautifully finished dinghy."
